

# FISHING GETAWAY

09 Nights/10 Days

With its extensive coast-line, numerous reservoirs, lakes, rivers, and lagoons, Sri Lanka is now beginning to become a hotspot for inland and deep-sea fishing holidays. Sri Lanka's oceanic waters are known to contain the right nutrients and temperatures allowing best tasting fish to breed. Inland, one can catch smaller freshwater and brackish water fish, while in deep sea, you will be able to catch larger fish such as Grouper, Tuna, Barracuda, and many others. The trip would involve heading towards Negombo Lagoon and visiting the bustling fish market, a trip to Bolgoda with stopover in Colombo, get the chance to experience fishing on the Madu River - Balapitiya and engage in traditional fishing customs, travel to Mirissa with detour to Galle. You will also get to enjoy deep sea fishing, whale watching excursion, spot Sperm Whales and Blue Whales.

**RECOMMENDED PERIOD:** FROM NOVEMBER TO APRIL

## **DAY 01 | AIRPORT – NEGOMBO**

On Arrival at Colombo International airport, you will be welcomed by our chauffeur guide and thereafter proceed to the hotel in **Negombo** for the overnight stay.

### **Overnight stay in Negombo**

## **DAY 02 | NEGOMBO**

We head towards **Negombo Lagoon** and visit the bustling fish market where you can purchase fresh fish to supplement a provided seafood lunch. Explore the mangroves by boat, do some fishing, and watch traditional fishermen haul in their catch, and then take a catamaran ride through the canals of the lagoon.

## **DAY 03 | NEGOMBO – COLOMBO - BOLGODA**

After breakfast, we head towards Bolgoda with a stopover in Colombo where you will enjoy a short city tour. Evening, go fishing on the Bolgoda Lake and engage in traditional fishing customs, accompanied by a local guide. The large Tidal fed estuary system of **Bolgoda Lake** is the ideal destination for any form of inshore angling.

Bolgoda Lake - Situated not more than 20km from the commercial capital Colombo, It is full of mangroves giving rise to a rich diversity in aquatic fauna and flora. Being a traditional fishing ground for centuries there are so many popular varieties of fish like Barramundi, Mangrove Jack, Bull eyed Mackerel, smaller Travilly and Barracudas. Also fishermen around Bolgoda Lake still use a very primitive fishing technique called "JaKotuwa" for fishing prawns. 'Ja kotuwa ' made with bamboo dividers erected in the middle of the lake, is a kind of trap, which will be illuminated with kerosene oil bottle lamps in the night.

## **DAY 04 | BOLGODA - BENTOTA**

After a relaxed breakfast proceed journey to **Bentota**. Evening at leisure.

Bentota is a famous coastal town situated approximately 65 km south of Colombo and a tourist hotspot with a local airport and a handful of World Class hotels right on the beach including the lower and budget categories. It is a destination for water sports such as jet skiing, deep sea and river fishing, banana boat rides, river cruises...etc., to name a few. It is an ideal place for a sea swim or if you just want to sit out in the sun reading a book.

If you venture out of town towards the southern coast, there are plenty of things you can do during the day. It is also 56km north of the UNESCO World Heritage site of Galle which you could drive up for the day and return back in the evening. You can also enjoy some local

'Toddy' (Alcohol prepared from Coconut) brewed early in the morning which might get you buzzing, fresh water sea food in a nearby restaurant, visit a turtle hatchery, witness the production of wooden masks all within a short distance from Bentota. You can also drive up and witness the beautifully landscaped property known as 'Lunuganga' designed by the world famous architect Geoffrey Bawa which is just 5 km inland from the Bentota town.
